

We are delighted to announce the event organiser winners from College Awareness Week 2014

The winners were selected by Regional Co-ordinators and the College Awareness Week team members, on the basis of creativity, enthusiasm and impact.

Many of the event organisers have designed event templates which can be used by primary schools, afterschool programmes, Students Unions, Further Education Colleges in 2015.

These same event organisers shared photos, tweets, videos, artwork, resource materials which they created as part of their CAW event. We have put these photos in our website gallery. There were 7 secondary school winners, 5 primary schools, 4 access services, 2 colleges of further education, 2 youth services, 1 home school community liaison team, and 1 Students Union.

Congratulations to the following Event Organisers:
