## REGISTER YOUR INTEREST!

# INSTRUCTIONS

1. Create a team and team name.
2. Choose what a fictional student could study after they finish school (include both Higher and Further Education choices); ideally the group's interests should be taken into account when deciding.
3. Map the journey of the student (taking into consideration alternative entry routes to HE such as HEAR, DARE and QQI/FET) from Leaving Cert to their chosen course of study.
4. Have a back-up plan for the student in case they don't get their first choice.
5. Use a selection of materials, tools and apps that are available to you to create multimedia digital content that tells the audience what options are available to this student after they finish school. You can use any format you like to tell their story.
6. Register your interest and submit your work using the upload link provided before the 27th of October 2023 Deadline.

# THE FINALS

- Shortlisted projects (with 5 representative) will be supported to attend our national awards ceremony in **Cork** during College Awareness Week.
- Prizes assume a TY Class size of **25 students**.
